Mojito

Slush Machine Recipe

1 btl (64 oz)	Kelvin Margarita or Citrus Slush Mix
1.5 L	White Rum
2 gal	Water
To taste	Mint purée* & lime juice

Combine all Kelvin Slush Mix, rum, and water, & freeze in a slush machine.

Blend mint leaves with fresh lime juice into a fine purée. Add to finished cocktail.

* We do NOT recommend putting mint purée in a slush machine.
