Ain't Your Average Frosé

We heard you like wine, so we put some wine in your frozen wine. When we say this ain't your average frozen rosé, we mean it—we doubled down on the wine, with both rosé, and a special guest star. We took everything we love about frosé and added Cocchi Americano, a dry white vermouth, to our standard recipe. We picked Cocchi Americano for its botanical notes from a proprietary blend of herbs, fruits, and spices.
